This quote is for custom made items and cannot be cancelled once in production.
Final price is subject to professional measurement.Delivery times can vary and are not guaranteed. A one-year in-home service warranty is included in our full service price. Room darkening and blackout products, including shades with side channels, are not guaranteed to give 100 percent blackout. Oversized shades are not guaranteed to lay completely flat and may give a wave-like appearance.
Shades or blinds installed on angled windows, such as 90 degree windows, will incur gaps. Gaps are most prominent on roller style products but willbe visible on all shades or blinds in this configuration.
